SUMMER 2011

Felted Hat Making Classes

Check the dates and locations below for Felted Hat Making Classes!

Create a wet-felted hat using alpaca or other wooly fibers - you'll leave class with a finished hat! We'll cover wet-felting techniques that you can use to create other felted items as well - purses, vests, pillows, and more. The hats are created from felted fiber and then molded on hat forms for a variety of styles. Hat forms will also be available for purchase. We'll also do a demo for dye painting on a felted hat, needle felted trims for a hat, and other finishing options.

Can't make it? Call us and we can try to arrange a small group on another date, or a weekday class. We can also make arrangements for a class at your location.
